

Tombisto Start

Updates (Neu)

TomBisto Updates. Was ist neu TomBisto Müßte man mal machen

Allgemein

The screenshot shows the TomBisto 3.5c 08.12.2015 software interface. At the top, there's a browser-like header with the title "TomBisto 3.5c 08.12.2015" and the URL "demo.tombisto.de/index.php?". Below it, a dark bar displays the version "TomBisto 3.5c 08.12.2015" and the user information "Administrator, Global Mandant (100000) ⚙ Abmelden". The main area contains nine icons arranged in a 3x3 grid, each with a label: Verträge (Contracts), Empfang (Receiving), Adressen (Addresses), Rechnungen (Invoices), Artikel (Articles), Zinssätze (Interest rates), Offene Aufgaben (Open tasks), Beschwerden (Complaints), and Programm Daten (Program Data). To the right of the grid is a large, stylized red and grey swoosh graphic. At the bottom, a blue navigation bar features a "Startmenü" button and several small, unlabeled icons.
